'Follow Your Dream . . .'

"Who is more responsible than a person who finds and follows a meaning, a higher purpose in life?"

If any of you have read Jonathon Livingston Seagull you know that it's about Jonathon trying to reach what he believed was his goal in life—perfection.

Everyone should have a meaning, a goal, or a star to follow in life. Find yours, set your sights on it, and strive to reach it. This is what living is all about—learning and discovering to be free enough to do what you want to. Our bodies know no limitations only our minds do, so clear the cobwebs and go! Yes, you can follow your dream.

Rhonda Ford Reigns As Queen

"It Was A Very Good Year" was the theme for this years' homecoming. It proved to be a very appropriate title with the football team winning 44-0 against Edinburg and Junior Rhonda Ford being crowned homecoming queen.

A big change in tradition took place this year. Only one float was allowed, which was made by seniors. Old-fashioned cars ranging from the early 1920's to a 1975 Ford paraded around the field at half-time.

The float carried the four queen candidates and their escorts. They were seniors Karen Hefley and Frank Pangallo, juniors Rhonda Ford and David Thompson, sophomores Brenda Redhead and Dale McClure, and freshman Susie Juergersen and escort Gary Mack.

Top—Posing for a picture at the dance are Karen Hefley, 1974 Homecoming queen Rhonda Ford, Brenda Redhead, and Susie Jergenson.

Coach Joe DiPietro gives last minute advice to Center Grove Trojans, Clint Pollard, John Fleenor, Mark Carter, and Aaron Arbuckle.

Seniors Present Crucible

On November 15 and 16 the senior class presented a very dramatic play, "The Crucible", written by Arthur Miller and directed by Mr. David Dusthimer.

The story is a take-off from the Salem Witchcraft Trials in the 1600's. It centers around John Proctor (Mike Dillow) who is being tried for witchcraft along with his wife Elizabeth (Kathy Ulrey).

Other main characters included Reverend Paris (Rodney Wesselman), Reverend Hale (Jim George), Abigail (Joyce Bailey), and Mary Warren (Cathy McCourt).

Upper right–Elizabeth (Kathy Ulrey) accuses her husband John (Mike Dillow) of lechery.

Middle left–Abigail (Joyce Bailey) tells her cousin (Donna Fulmer) to keep quiet.

Middle right–Meresa Baker gives Becky Hansen gray hair.

Lower right–"A needle!" cries Mr. Cheever (David Brown) taking it from the poppet.

Cheaper By The Dozen

February 19 and 20 was the date of the junior class play, "Cheaper by the Dozen". It was a comedy written by Frank and Ernestine Gilbreth and was directed by David Dusthimer.

It takes place in Monclair, New Jersey, in the twenties. It is about Mr. Gilbreth (Doug Wooton) who is trying to raise his twelve children, all of whom are very intelligent.

The children were played by, Carla Sutton, Andy Wood, Diana Hiatt, Greg Hurst, Bryan Cranfill, Jeff Kidwell, Terri Cramer, Cathy Ryburn, and Pam Wesselman.

Upper left–In the Junior play, Mr. Gilbreth (Doug Wooton) shows his children how to save time in the bathtub.

Lower left–Joe Scales (Jamie Duke) astonishes Anne, Ernestine and Frank with his great cheerleading ability.

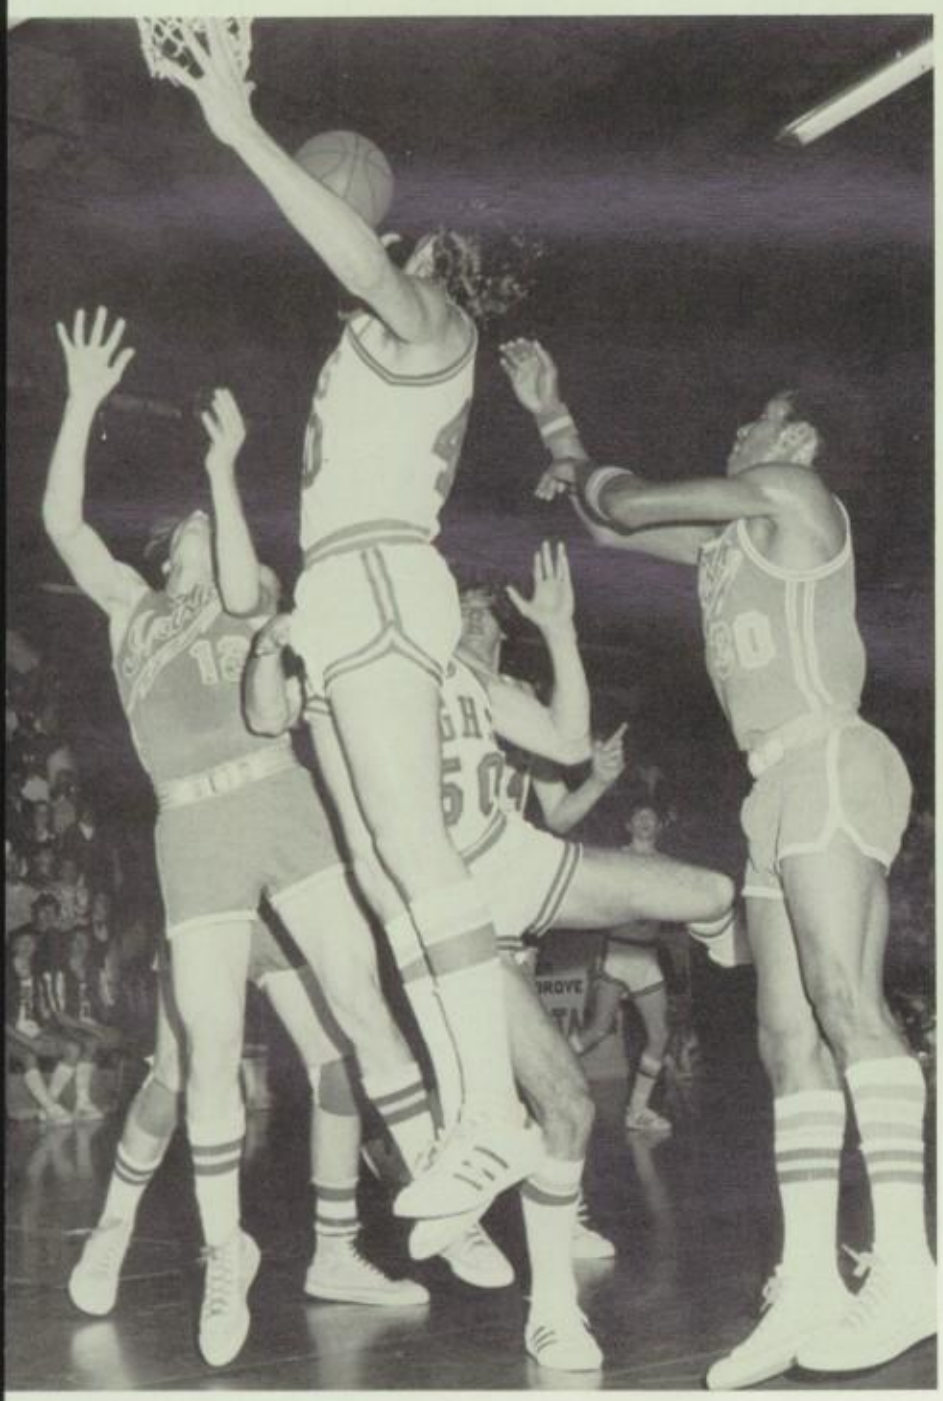
Lower right–Shelly Jackson dances with her escort Kelly Conover to begin her reign as princess of the 1975 Basketball Homecoming.

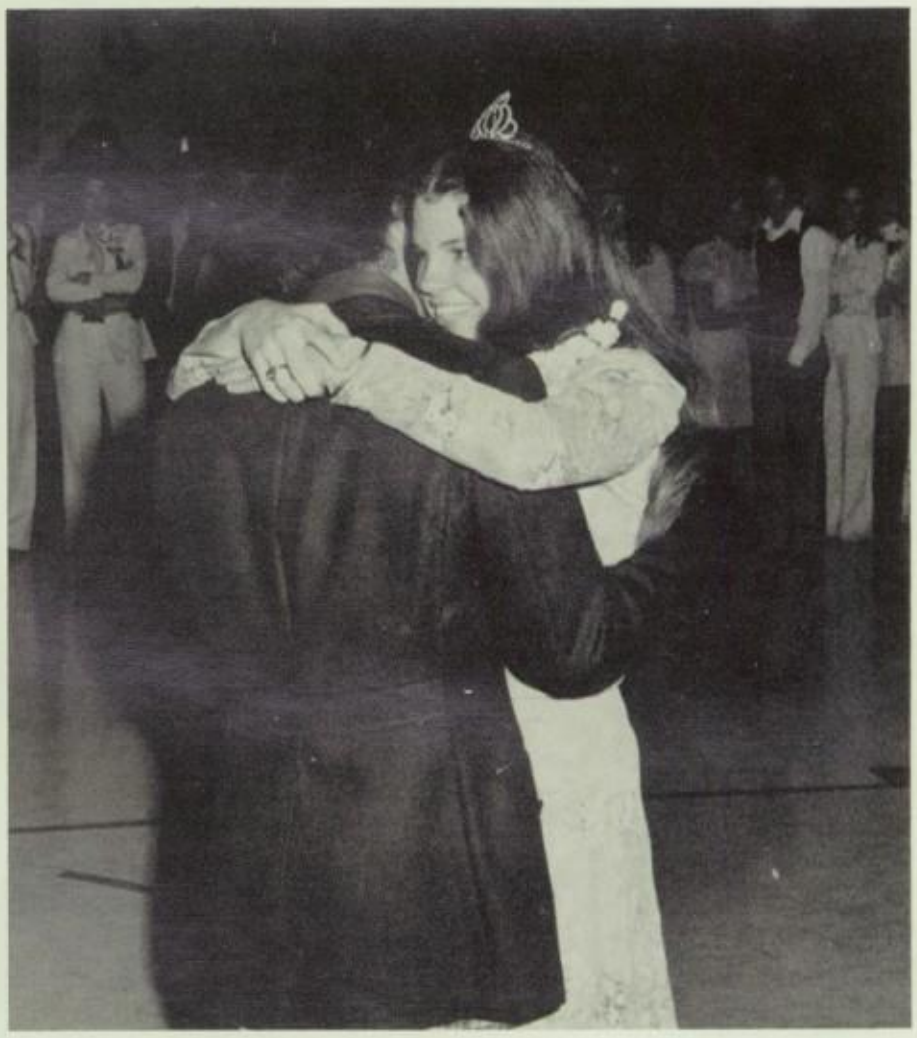
Team Wins Homecoming Thriller

1975's basketball homecoming game proved to be a real thriller as the Trojans came out on top by a slim two point margin. The score at the final buzzer was 55-53. Because some of the team's starters were not hitting well, Coach Jones substituted some of the lesser used players. One of them, guard Larry Mack make the decisive two free throws to clinch the Trojan victory just as it seemed shaky.

At the senior-sponsored dance held after the game, Junior Lisa Ray was crowned queen of the activities and freshman Shelly Jackson was elected princess. Both of these girls will return next year to crown their successors.

Upper–Jeanne Jester, Cathy Ryburn, Vicki Jones, and Debbie Ochse put on one of their skits at the pep session before the Cathedral game.





Lower left–Steve Althoff jumps high over the other players to grab this ball as Don Trowbridge is caught in the middle.

Lower right–Everyone watches as Lisa Ray dances with her escort John Despot all in smiles after being crowned 1975 Basketball Homecoming Queen.

Cast, Crew Of 150 Present Camelot

Ever since the beginning of January right up until the final curtain call, the cast and crew members of Camelot worked very hard. The crew and cast consisted of a total 150 members, who helped out in one way or another. The set was designed by Tim Hearn. The total cost of the set was $700. All of the beautiful costumes were designed and made by Mrs. Beverly Johnson, Mrs. Debbie Dusthimer, and Mr. Glen Meeks.

The musical ran for four nights. Both Friday and Saturday nights were sold out.

The music was written by Fredrick Loewe and the lyrics were written by Alan Jay Lerner and directed by Mr. David Dusthimer.

Prom Theme, 'King Arthur's Court'

A "Night in King Arthur's Court" was the theme of the 1975 prom held in the Campus Center at Franklin College. Thanks to the support of the junior class sponsors and a helpful group of students, the affair went off without a hitch.

Seniors George Bowman and Nancy Gaither were chosen from a list of candidates to reign over the prom as king and queen.

The prom followed the usual format with dancing to the music of the Plainfield High School Band from 9 'till midnight. A post prom was added with roller skating from 1 to 3 a.m. at the USA rink at Southern Plaza. Approximately 180 attended the post prom activities.

Upper right–The prom court included Queen Nancy Gaither and King George Bowman, Becky Hanson, Jody Jackson, Susie Kornbroke, Paul Logsdon, and Mark Jackson.

Last year marked the founding of the Center Grove Key Club, a service club associated with the Kiwanis Clubs. The club sponsored many activities designed to aid the school and surrounding community. Its largest undertaking was the cleaning of the Smith Valley Community Center's grounds.

Members of the Art Club contributed a landscape painting to the school for display over a staircase. They also worked on a large wall mural for display in one of the school's hallways.

Boosters Cheer On CG Teams

The 1975 Girls Booster Club members were required to purchase red CG sweaters from the Grappelettes to come up with a good looking booster club.

Sponsor Mr. Walter Aldorisio said the girls showed good spirit while decorating lockers, bulletin boards, posters, and "senior jeans" painted with sparkled liquid embroidery.

Booster club officers Karen Hefley, president; Marla Trowbridge, vice-president; Jo Wiese, treasurer; and Violet Day, secretary made red and white "hankies" for the whole club for the regional games.

To raise money, the club sold white with red letter T-shirts proclaiming the Trojans as '75 Sectional Champs.

The Boys Booster Club was reorganized last year under the leadership of Mike Harris, president; Matt Harris, vice-president; Charlie McCourt, secretary-treasurer; and sponsored by Mr. Aldorisio.

Both squads entered the Johnson County and State fair competitions. The reserves won the third place trophy at the county fair.

The girls held a cheerleading clinic for students in second thru sixth grade. The clinic along with selling Trojan buttons were money raising projects.

The squads sported a new sponsor this year, Miss Rhonda Robertson.

Sunshine Gives Fashion Show

Last year Sunshine members were a little busier than they have been in recent years here at C.G. Nine committees were made of the 150 members to go each month to Westminster Village to entertain and keep company with the elderly.

Nestle's Candy Bars were sold at the beginning of the year to help raise money and favors such as cookies, brownies, and candy were made and brought into the teacher's lounge once a week. For Thanksgiving fruit baskets were made up and given to people in need of them.

In the spring a mother and daughter banquet was given by Sunshine Society to honor the senior girls. Also included was a fashion show.

Grapplettes Sell C.G. Sweaters

Last year the Grapplettes, backed by their sponsor Marianna Kegley, supported their activities through the sale of Center Grove sweaters. The majority of the sales were to the Girl's Booster Club, but other CG students bought them also. Most of the profits from the sweater sales went towards buying the materials used for the flashy new costumes the girls wore while at the meets.

1975's OEA members toured the Eli Lilly offices to examine the techniques used by their secretaries and receptionists. The FTA members took over our school's classrooms for one day to gain practical teaching experience.

Clubs Eat Foreign Dinners

The French and Spanish club members took part in many activities last year related to those languages. Throughout the year, the clubs sponsored projects to stimulate interest in the foreign language field. Both clubs held their annual dinners, the Spanish Club members eating at the Taco House and the French Club members at Chef Jeans.

Other language club activities included the Spanish Club's Christmas party and the French Club's annual caroling party through certain areas of the Center Grove school district. The Spanish Club also collected food and other goods for the Honduras earthquake victims.

Staffs Publish Paper, Yearbook

The Center Grove Trojan and Trojaneer staffs worked last year under the guidance of a new advisor, Miss Marianna Kegley.

The newspaper staff brought back two awards from the Wabash Valley Press Conference. One was awarded for the Trojaneer's advertising section. The other, a second place certificate, was won by the editor of the paper, Dorothy Sheets. She received the award after writing a news story.

The yearbook staff added eight pages to this year's book and also pooled their efforts to include three pages of color pictures. The cover photograph was taken by Mark Dickhaus.

Chessmen Have Mediocre Year

Having a mediocre season, the chess club captured a 6-3 record for the regular season. By dropping an easy match to Greenfield, the team avoided an even better record. The most consistent player, Thomas Basso, managed to lose only one game in competition. However, in practices sophomore Doug Bailey repeatedly romped over his teammates, earning him top starting position in almost every meet. The chess team was "kept in shape" by playing against the club sponsor John Steed, who also compiled a respectable record playing with them.

Faculties Each Take Victories

Led by quarterback Tom Jones, the high school team defeated the junior high in the annual faculty football game. The high school squad won by a 9 point margin with the final score 18-9. The outstanding pass receiver in the game was Steve Gantz, who made catches that aided the high school team offensively.

The defeated junior high team got revenge however, when they beat the high school team in the faculty basketball game. The game's leading scorer was Mike Swango who contributed over 20 points to his teams's victory.

Varsity Has Best Season Ever

Under the first year guidance of coach Joe DiPietro, the Trojans finished 8-2. Coach DiPietro commented, "I am proud to have been associated with these fine young men. The hard work, the determination, and the never give up attitude made us a winner. Best season in 20 years of football."

Center Grove scored 255 points, with an average of 25.5 points a game. While they only let their opponents score 81, or 8.1 points a game. The defense had four shutouts this season.

Clint Pollard led the team in yards gained on the ground with a total of 938 for the year. Steve Owen led the team in scoring with 54 points.

Freshman Team Finishes 6-3

The freshman football team had a good year finishing up with a 6-3 record. Coach Jerry Dunn states, "They started off slow losing two of their first three games, but as the season progressed they improved greatly. They ended up winning five of their last six games which should influence their high school careers."

The freshman leading rusher was Jeff Hall, offensive leader Mark Masser, and defensive leaders Tim Mack and Eric Gehm.

Reserve Gridders ended their season 5-2-1. Coach Walter Aldorisio said they "played controlled defensive football." He added that the team had both an outstanding defensive backfield and offensive line.

Highlighting the season were a win over Speedway and a tie with Franklin after coming from behind. Charlie McCourt was the team's leading rusher and Darrell Lindley was recognized for his outstanding line play.

Inexperience Hurts Harriers

"Inexperience is what hurt us this season," said Cross Country Coach Steve Gantz. "We only had two seniors on the varsity team," referring to co-captains, Rex Martin and Terry Keller.

The Cross Country team finished with a 2-3 dual meet record. They received second in two triangular meets, and third in the other. In the county meet, the team placed fourth. They placed sixth in the Mid-State meet and placed sixteenth out of twenty-six teams in the sectionals.

"We should have a strong team next year with a lot of boys returning from last season," stated Coach Gantz.

Tennis Team Takes County

The Center Grove Varsity Tennis Team finished the season with a 10-6 record, placed third in the sectional, but probably most important was that they won the county for the first time in CG tennis history.

"We achieved two of our goals this year in winning the county and coming in third in the sectional," said Varsity Coach Ralph Clingerman. "We had a really good season. I was proud of the boys in every match we played. Our 10-6 record was the most wins we've ever had."

"I'm going to miss the four seniors next year," referring to Mark Jackson, Duke Bristow, David Brown, and Doug Harty. "We have four lettermen returning, headed by Rick Cragen, who is one of the best in the southern part of the state, besides being CG's No. 1 man," added Clingerman.

CG Takes Fifth 4-Way, Ends 20-4

CG has established a winning tradition the past four seasons, but this year's record was the best in modern CG history at 20-4.

"I think Center Grove has now arrived as a major basketball power, proved by being able to play with any team in the state," stated varsity coach Tom Jones. He said a few of the highlights were the fifth Four-Way Tourney in a row, two sectional wins over Franklin and Whiteland, and "avenging an early loss" by defeating Franklin Central by 15 points.

"One of the best times we played was the first half with Whiteland in the Four-Way Tourney," said Jones, "I think the team played great in the sectionals with the loss of Big John."

"The seniors will be sorely missed, but the future looks bright with six lettermen and some vastly improved reserves," Jones said.

Res., Fres., Have Good Teams

Despite a disappointing season, coach Ralph Clingerman was pleased with the performance of the freshman basketball team. He said, "They did improve a lot and some of the teams that we beat at the end of the season annihilated other teams that beat us earlier in the year. Three games out of the four won were in the later half of the season. The high scorer on the team throughout the season was Rick Peyton who also co-led in the rebounding category. He shared the spot with teammate John Turner.

The reserve squad fared much better as their 14-4 record dictates. Coach Ivan Smith said that the team did very well, "considering the team had two freshmen in the starting line-up." The team's leading scorer was Steve Doty.

In the Sectionals both of the Gaskins' and Steve Owen won, and Mark Carter placed fourth.

The Regional rolled around and the Gaskins' dominated their opponents winning decisively. Owen and Carter placed fourth.

Ron and Tom continued to the State Finals where they were finally defeated placing third and fourth.

"I was very pleased with our wrestlers this year, and am looking for another great season next year," stated Coach Alex Girdley.

Lee Chinn had the best overall record on the team with a 12-0 won-loss record. In the fast fall category, the two top boys were Kelly Conover with a quick 48 seconds and Mike Lewis with a 49 second take-down.

Varsity Baseball Has Off Year

The 1975 season was an off year for the Trojan's varsity baseball team. The team compiled a 7-12-1 regular season record and received third in Mid-State conference play.

Seniors George Bowman and Don Trowbridge were the dominant factors on the team as the two led in nine categories.

After the dust from the running, sliding, hitting, and fielding had cleared, CG's reserve baseball team found themselves with a 6-3 record, bettering the 4-5 record of '74.

Coach Aldorisio believed the boys would help the varsity the next year.

Golfers Place 4th In Mid-State

Center Grove's golf team suffered through a 3-10 season record for 1975. Mr. Mike Swango took over the golf coaching job this year.

Rick Sheeks and Steve Rider, both juniors, led the team and got their lowest scores of 34 and 36 respectively in a losing cause against Speedway.

On the victorious side, the Trojans slipped past Batesville (236-235) and Mooresville (217-215). Triton Central also boosted the CG record with a 243-234 loss.

In the major meets the golf team placed fourth in the County with a 366. At the end of regulation play, CG also placed fourth in the Mid-State Conference meet. The team finished eleventh at Batesville.

B-Ball Team Record Deceiving

The girl's volleyball teams had a good season last year as both the reserve and varsity teams had winning records. The reserve squad compiled a 7-3 won lost record while the varsity players finished up the season 9-5. The varsity players were also runner up in the Johnson County tournament and they captured third place in the sectional meet.

After a slow start, the girl's basketball team fared well, better than their 6-8 record suggests. Exciting points were wins over Avon and Indian Creek. Most Valuable Player went to Junior Kathy Gray, along with the Mental Attitude Award.

Tumey Says Track Has Best Year

Coach Carol Tumey marked 1975 as the finest year in Center Grove Girls' track. The team boasted a 5-2 record, a fifth place in the sectional, and a ninth place in the regionals. In addition, Debbie Cochran and Penny Pitcock qualified in their events for the State meet. Debbie brought home a seventh place in the 220 and Penny finished in the twentieth spot.

The girls' tennis team also did well earning a 6-3 record. The team finished third in the sectionals. Although the team will lose three seniors, the girls' coach Mrs. Brehob looks forward to a fine season next year.

Science Math Puzzling

Among the many courses offered at Center Grove were a variety of math and science courses. The mathematics classes included basic courses designed to teach students in math for everyday use as well as advanced courses for students who intend to go into math related fields of work.

The most interesting science classes last year again proved to be Biology and Chemistry. In these classrooms students performed various dissections and experiments under the ever watchful eyes of Mr. Hogue and Mr. Berliner.

Gov't, English Meet Changes

In government classes Congressman Dave Evans and a state trooper gave lectures. Government classes reenacted a trial and debated a class-written amendment. Economics classes bought and sold stock while formulating a consumer research report.

The English Department said that two or three new courses will be added to the phase elective program this year.

General literature class held a class lottery after watching the movie. Drama II helped build sets for the plays. Commercials were written in news media and a news program was video taped in journalism class.

Creation Is Shop, Home Ec.

Last year the Center Grove shop department added three new staff members. The new teachers were Mr. Dave Windisch, Mr. Patrick Rodgers, and Mr. Ralph Johnston. These new members along with veteran Larry Corey helped students complete various projects such as book racks, step stools, and architectural drawings.

The home economics classes taught by Mrs. Ellen Mahan and Mrs. Stella Morrison, worked on topics dealing with child development, dating, and furniture finishing as well as the usual areas of cooking and sewing. In doing so, the students were better versed on the problems they may face later in life.

Driver's Ed. A Year Long Class

A major change was made in the Driver's Education course last year, while the health and physical education classes remained much the same. The Driver's Ed. class was lengthened by one semester making the course two semesters long.

The health classes studied the functions of the 12 body systems and took a special interest in the problems of drugs, alcohol, and tobacco that trouble many of today's youth.

The physical education classes continued to stress physical fitness and mind-body coordination through the means of exercise and varied sports such as archery, softball, and tumbling.

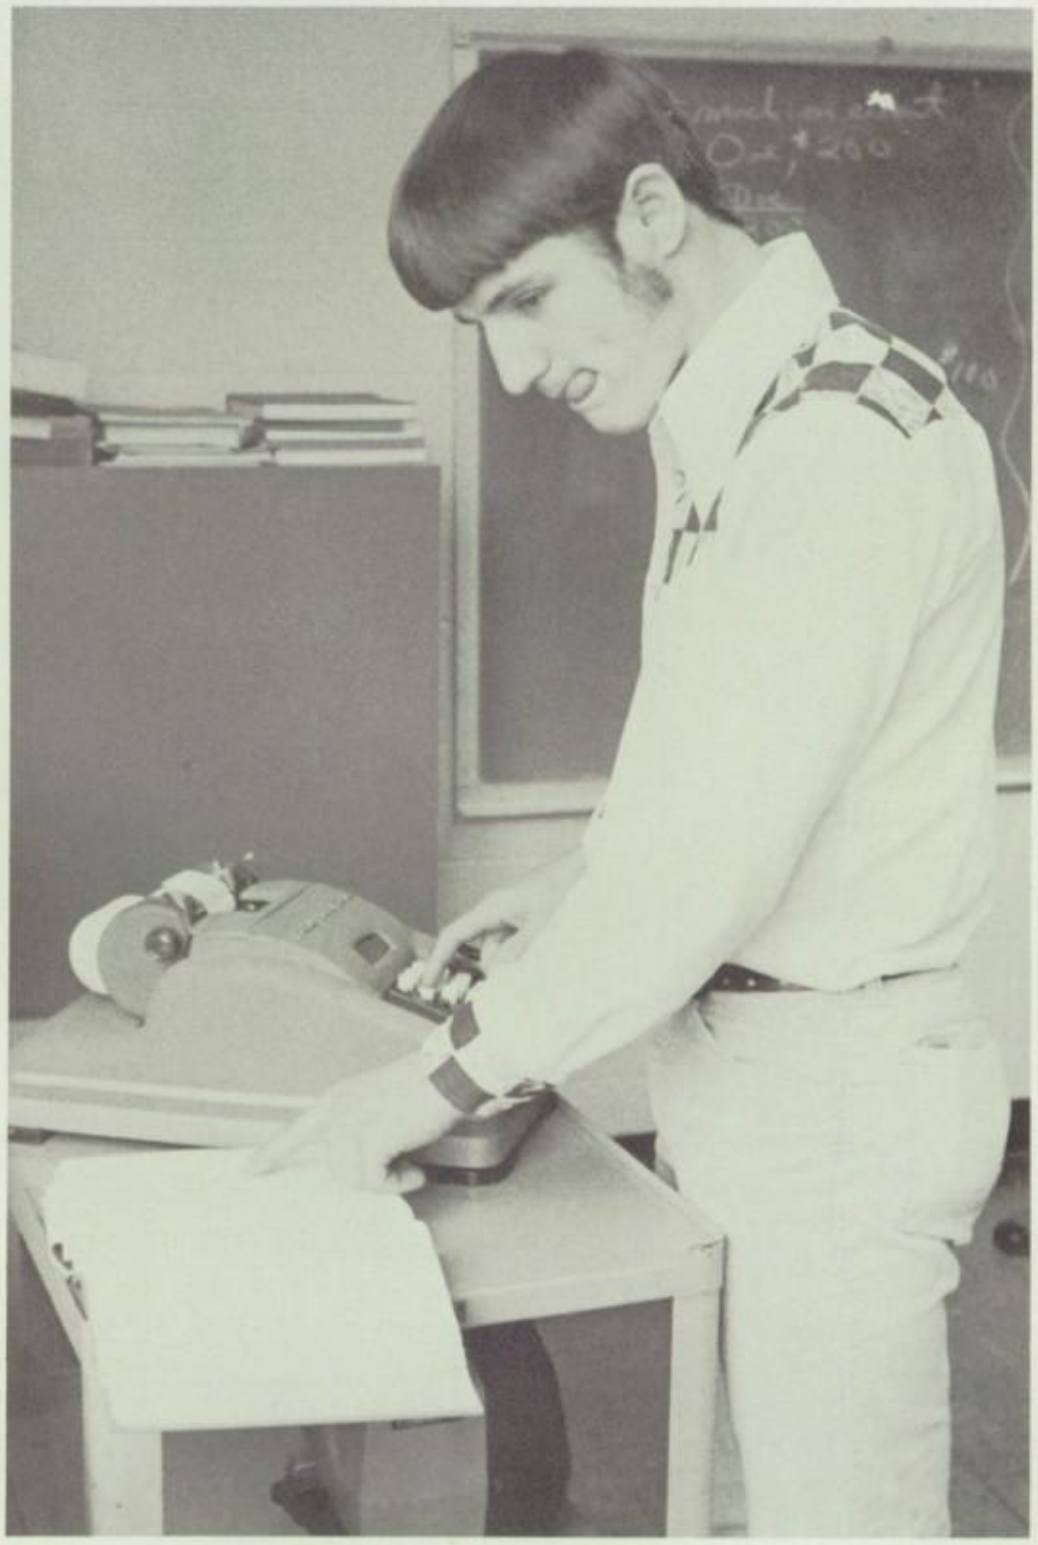
Library, Business Keep Books

Last year, as in past years, Center Grove's library was run neatly and efficiently. Librarians Marcia Bartle and Rosemary Whitaker aided by student assistants, kept the library orderly while adding new volumes all the time to make CG's book room more interesting.

In the various business classes offered at Center Grove students learned to use many of the different machines associated with the world of business. Among them were electronic calculators, typewriters, and dictaphones. Students were also taught to keep accurate records of business transactions, and tricks of the trade to make bookkeeping and filing chores easier. Other classes taught students to manage their bank accounts.



Upper right–Senior Cathy Dorrell learns to type faster by using a dictaphone-electric typewriter combination.

Lower right–Terry Keller gives it his all while completing a problem in his business machine class.

Lapidary Classes Taught

The art department acquired a new look this year in the form of Mrs. Karen Yarnall.

One of the new projects Mrs. Yarnall introduced to interested students was a lapidary class, which taught students how to polish, cut and set stones.

Making batiks, stained-glass windows out of tissue paper, and the designing of record covers, were just a few of the projects worked on by the art students.

Art Classes 1 through 4 were offered to students this year.

Language Classes Keep Busy

Last year the Spanish classes collected canned goods to send to Honduras. After the earthquake there the people needed everything.

Three new students were added to the Spanish classes during the 1974-75 school year. Two were foreign exchange students; Christian Abello from Chile and Terisita Veray from the Phillipines. The third pupil who audited one of Mrs. Portilla's classes was Mr. Howard Berliner, CG's chemistry teacher and track coach.

Christmas caroling and food were two objectives of Mrs. Janet Brown's French classes. First year students enjoyed a breakfast, while second year had lunch and third year received a dinner. French IV and V had a Christmas party in the home ec. room during lunch.

Many pupils went caroling on December 16. Also, one French class wrote and performed their own skits.

Sixty-Six CGer's Attend C-9

Central Nine offered 18 courses to 66 CG students this year. New courses were Cabinet Making, Building Maintenance, and Masonry.

Seniors, based on grades and attendance, were selected to participate in the Co-op plan. The plan consisted of selected seniors attending classes only one day a week and working on jobs the remaining days.

Honor Day Rewards '75 Class

Honor Day, an hour and a half all-school convo, brought awards and recognition to many CG seniors May 30.

Local community organizations, businesses, and colleges cited outstanding students for citizenship, athletics and academics with plaques, medals and scholarships. State Scholarships were given to over 30 students and the top ten ranked students were recognized. Each department recognized students for class and extracurricular work.

Exchange students were honored with plaques and the Valedictorian, Salutatorian and Scholarship positions named. A new scholarship, the Roberta Ratliff Morrison Memorial Scholarship, was added to the Honor Day list.

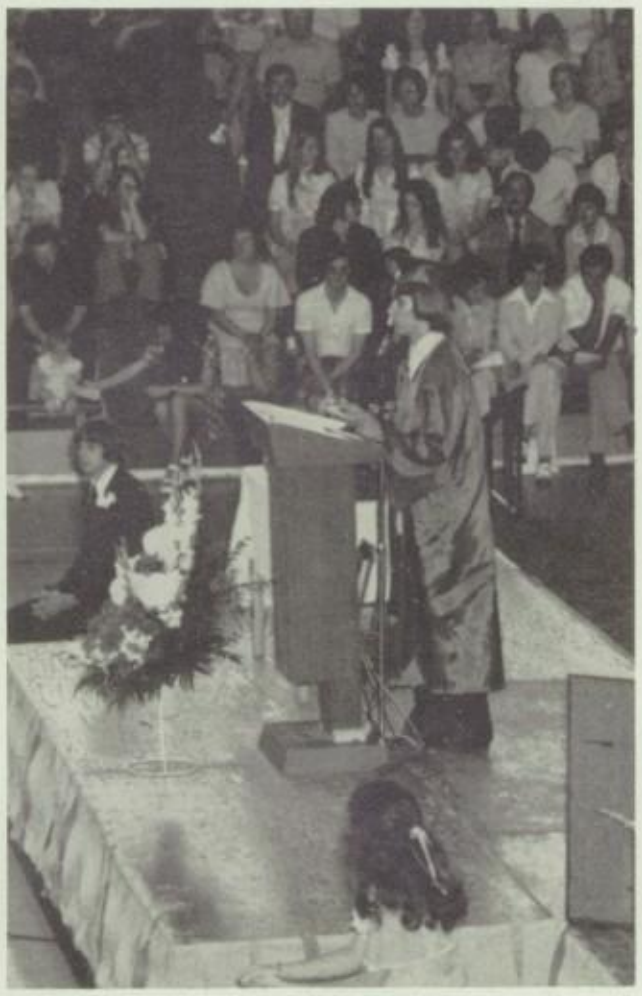
We Will Make Tomorrow's World



For the first time in Center Grove history Commencement and Baccalaureate services were combined into one ceremony permanently.

This ceremony included addresses from Valedictorian George Bowman, Salutatorian David Brown, Principal Melvin Vandermeer, Superintendent Wilbur Hardin and guest speaker Rev. Richard Clark. The invocation was delivered by senior Nancy Gaither and benediction by Kathy Ulrey.

Class president Duke Bristow presented diplomas while vice-president George Bowman presided over the changing of the tassles. The 1975 graduating class' motto was "We are the Makers of Tomorrow's World."

George Bowman, chosen 1975's valedictorian, speaks to those attending the graduation ceremonies. He also received a state scholarship.

Salutatorian David Brown addresses the graduating seniors during commencement held in the high school gymnasium.

Tears flow as Julie Baker and Nancy Gaither congratulate one another.

Senior Class Improves School

Last year the senior class started their final term by improving their school. First, students painted the Trojan lettering at the end of the gym and the tunnel.

To show they really had school spirit, they built the queen's float for football homecoming and sponsored the Powder Puff football game.

Displaying their talents, they put on the annual senior class play this year it was Arthur Millers' work entitled the Crucible. It proved to be one of the many successes the seniors had. Representing the seniors in the student council were David Brown, Christy Henderson, Ken Lewellyn and Cathy McCourt. The class did a fine job preparing the school for their leaving.

Senior class officers are Candy McCarty, Duke Bristow, Tammy Blevens, and George Bowman.

Seniors Have Roaring 50's Day

In late November, the members of the senior class held a "50's" day here at Center Grove. The students dressed in 50's style clothing, and many students turned to their parents for ideas on what to wear. The girls outfits included blue jeans, calf-length skirts, saddle shoes, and bright red make-up. The guys wore cut off T-shirts, and leather jackets. They topped things off with slicked back hair and "shades."

During the lunch periods, the class of '75 danced in the gym to the sounds of Elvis and other 50's rock stars.

Center Grove students Mike Harris and Debbie Cochran "jitterbug" in the gym during the senior class 50's day festivities.

Juniors Have Two Queens

Last year's junior class may have been one of the most beautiful ever as both of their picks for homecoming queens won. Rhonda Ford received her crown at the football homecoming and Lesa Ray was queened at the basketball festivities. The year also seemed to be the juniors' year for parties as they sponsored both the football homecoming and the prom.

The juniors financed their activities through the sale of various items such as mums, sectional spirit hats, and food during the chili supper they held.

Junior Class Officers are Annette Sisson, secretary; Violet Day, treasurer; Darla Neff, president; and La Dema Gallagher, vice-president; driving is Tom Deer.

Sophs Sponsor Projects

Last year's sophomore class sponsors, Miss Cox and Mr. Corey planned a variety of projects designed to aid the class financially. The sophs needed to collect quite a sum in order to host this year's prom.

In addition to the usual sale of Trojan spirit pins, the sophomores introduced a brand new way of raising funds through the sale of iron-on patches. They also washed buses and collected the profits from the chili supper held before the Plainfield basketball game.

The members of the sophomore class elected to the student council were C. Richards, S. Inman, J. Mann, P. Pitcock and S. Workman. These students made suggestions to the council to benefit their class.

The sophomore class officers are Connie Dorrell, Doug Norman, Jeff McNabb and Rick Cragen.

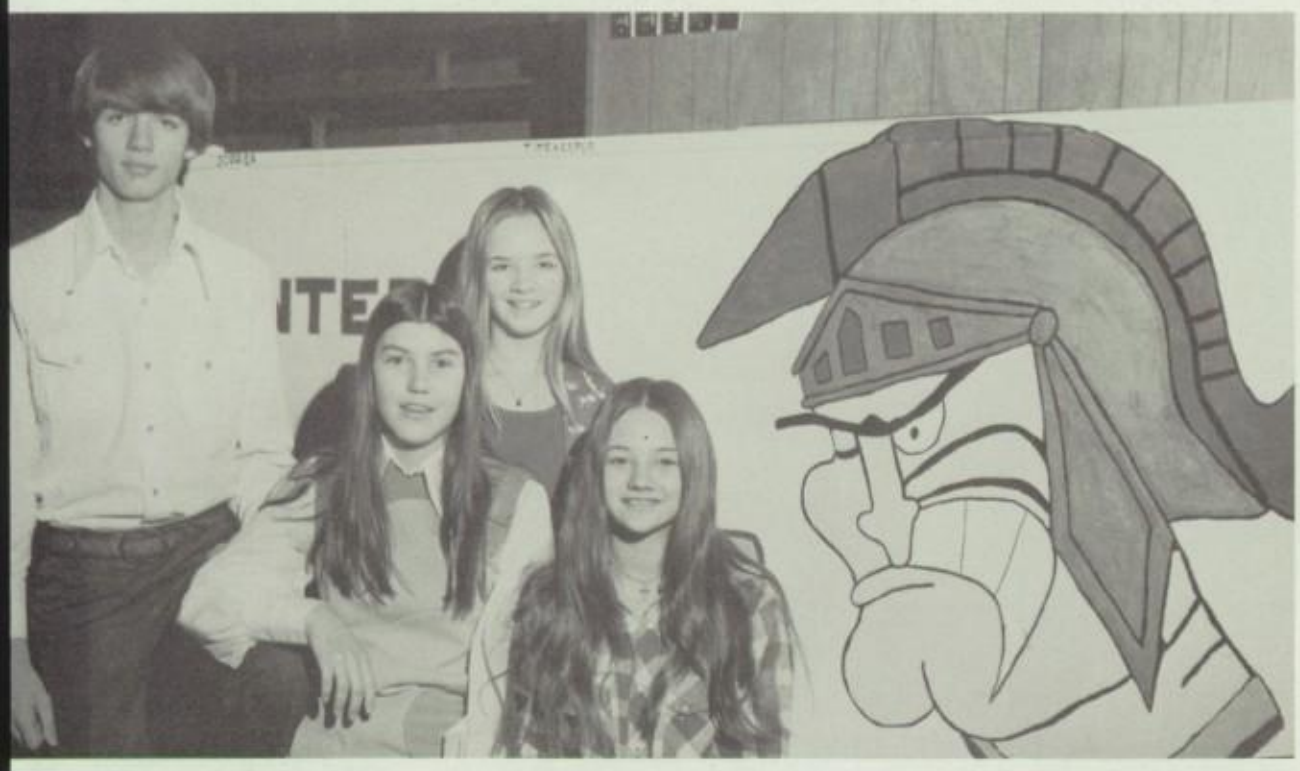
Freshmen Look To The Future



One of the highlights of the freshmen class activities last year was the sock hop they sponsored in the winter month of November. WIFE radio disc jockey Jim Wood came and played the records for the frosh dancers. He also distributed T-shirts, bumper stickers, and record albums imprinted with the station's call letters. The details of the event were handled by the freshmen sponsors, Miss Karen Curtis and Miss Pat Setser.

Another event that drew attention to the class of 79 was the crowning of Shelly Jackson as princess of 1975's basketball homecoming celebration.

New Plans For Jr. Hi. Underway

This year's administration may well have been the last of an era as plans graphically changing the appearance of Center Grove were adopted.

Under these plans the middle building will be torn down and replaced with new classrooms extending from the existing high school to the junior high. This building will then serve as the high school; the plans also included the erection of a new junior high building next to the CG elementary.

Plans were also adopted for a new sports complex. This complex will provide new facilities for football, baseball, and track.

Editor Thanks All Involved

Jana Cline, 1975 editor of the yearbook, gives a few pointers to next year's editor, Belinda Whitaker.

As I sit here in the quiet and calm of CG's deserted halls and classrooms, all my many memories of this dear old place come to mind. I sincerely hope that these memories and yours of the past year are contained in this edition of the Trojan.

I would like to thank all the people who were involved in making this yearbook possible especially Mr. Bryon and Mr. Frank Nash of Nash Studios, and Mr. Dick Kennard of Newsfoto. Most of all I want to thank Miss Marianna Kegley for letting me put a lot of my ideas to work. I hope that you're as proud of this book as I am.

Special thanks go to the teachers and administration for their patience and cooperation.

Before I close I would like to add one more quote from Jonathon–

"Don't believe what your eyes are telling you. All they show is limitation. Look with understanding, find out what you already know, and you'll see the way."

Thank you,

Jana Cline
